ORDER INDICATING NONJURISDICTIONAL STATUS
OF MUCKRAKER'S AND CLOSING DOCKET

BY THE COMMISSION:

On September 27, 1993, Muckraker's filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(1), Florida Statutes. Muckraker's, which is a wholesale straw and hay distributor and trucking and loading operation located at 4810 Southwest 60th Avenue, Ocala, Florida, does not qualify for exemption pursuant to Section 367.022(1), Florida Statutes. That Section exempts an entity that sells, distributes or furnishes bottled water to its customers.

Muckraker's refiled its application requesting recognition of its nonjurisdictional status pursuant to Section 367.021(12), Florida Statutes. Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. As stated previously, Muckraker's refiled its application in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. Ms. Becky Thomas Montgomery, Owner, filed the application on behalf of Muckraker's. The primary contact people are Jerry Wilson or Patti Altman.

According to the application, water service is provided only to the business located at 4810 Southwest 60th Avenue, Ocala, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Montgomery acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Muckraker's is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Muckraker's is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Muckraker's or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Muckraker's, Post Office Box 770129, Ocala, Florida 34477, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Muckraker's or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Muckraker's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 2nd day of November, 1993.
