ORDER INDICATING NONJURISDICTIONAL STATUS
OF COLEEN'S COUNTRY KITCHEN AND CLOSING DOCKET

BY THE COMMISSION:

On October 12, 1993, Coleen's Country Kitchen (Coleen's) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. In the past, Coleen's received water from an adjacent convenience store. The store recently closed and Coleen's was notified that water service would be discontinued within 45 days. Coleen's water system, which will consist of a well, will be located at 4315 North Highway 301, Trilacoochee, Florida. Ms. Coleen Strus, Co-owner, signed the application on behalf of Coleen's. The primary contact person is Mr. Ray G. Bussman, P.E., 5757 Colonial Drive, New Port Richey, Florida 34653.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the restaurant, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Strus acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Coleen's is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Coleen's is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Coleen's or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Coleen's Country Kitchen, Post Office Box 203, Trilby, Florida 33593, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Coleen's Country Kitchen or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Coleen's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 2nd day of November, 1993.
