ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

On September 22, 1993, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell) filed a tariff to change the effective date of the discontinuance of its Combined 800 Service. This service allows the customer to have AT&T of the Southern States, Inc. (ATT-C) carry his interLATA traffic and Southern Bell carry the intraLATA traffic. The customer purchases the service from Southern Bell which in turn has an agreement with ATT-C. Southern Bell initially sought to discontinue offering Combined 800 effective October 1, 1993. However, due to administrative delays in making arrangements with the IXCs, the Company proposes to extend the effective date of discontinuance of service to January 1, 1994.

Upon consideration, we find it appropriate to approve the tariff. Extending the effective date would appear to have little, if any impact on customers. Accordingly, the date for discontinuance of Combined 800 service is hereby changed to January 1, 1994.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company's (Southern Bell) tariff filing to change the
