ORDER GRANTING FPL'S MOTION
FOR EXTENSION OF TIME IN PART

By Order No. PSC-93-1679-PCO-EG, the natural gas companies that have intervened in the numeric conservation goals dockets were given until December 1, 1993 to file "a list stating which information requested by the IOUs they believe to be superfluous, excessive, and unnecessary." The IOUs were given until December 8, 1993 to file a response to any lists filed.

On December 1, 1993, West Florida Natural Gas Company and City Gas Company of Florida filed responses to Order No. PSC-93-1679-PCO-EG. Peoples Gas System, Inc. filed its response on December 2, 1993. On December 6, 1993, Florida Power and Light Company (FPL) filed a motion for extension of time to respond to the gas company filings, requesting an additional week. Having reviewed FPL's petition and the filings made by the gas companies, I find that FPL shall have until December 13, 1993 to respond to the filings made by the gas companies pursuant to Order No. PSC-93-1679-PCO-EG. The other parties to the numeric conservation goals dockets shall also have until December 13, 1993 to respond.

It is, therefore,

ORDERED that the parties to Docket Nos. 930548-EG through 930551-EG shall have until December 13, 1993 to file responses to the gas companies filings made pursuant to Order No. PSC-93-1679-PCO-EG.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
