AMENDATORY ORDER

BY THE COMMISSION:

On October 11, 1993, this Commission issued Order No. PSC-93-1480-FOF-WS which amended Jacksonville Suburban Utilities Corporation's (JSUC) water and wastewater certificates to include the Ponte Vedra Utilities territory and approved rates and charges for this territory. On page 21 of that Order, Schedule No. 1, the Service Availability Charges incorrectly set forth JSUC's proposed charges for a 5/8" x 3/4" meter as \$125.00. The correct charge is \$70.00. In addition, the schedule failed to include the meter installation fee charged for a 3/4" meter, which is \$125.00. These correct charges are set out in JSUC's currently approved tariff sheets.

Therefore, we find it appropriate to amend Order No. PSC-93-1480-FOF-WS to correctly reflect the Service Availability Charges for a 5/8 x 3/4 meter as \$70.00 and a 3/4 meter as \$125.00.

It is, therefore,

ORDERED by the Florida Public Service Commission that Order No. PSC-93-1480-FOF-WS is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. PSC-93-1480-FOF-WS is affirmed in all other respects.

By ORDER of the Florida Public Service Commission, this 14th day of December, 1993.
