ORDER CONSOLIDATING ADDITIONAL DOCKET

Docket No. 931196-TL is a tariff filing regarding switched local channel rate elements for Southern Bell's local transport restructure. This tariff is related to the consolidated Phase II Interconnection and Local Transport Dockets and shall be consolidated for hearing with those Dockets. A Procedural Order has been issued in the Consolidated Dockets and shall apply to the newly added Docket (Order No. PSC-94-0076-PCO-TP, issued on January 21, 1994).

Parties shall list the Consolidated Dockets, as set forth in the heading of this Order, on all discovery and filings. The Commission will maintain a single file for these Dockets under Docket No. 921074 (Expanded Interconnection). Regarding discovery, there will be a single numbering sequence for the Consolidated Dockets rather than separate numbering sequences for each Docket.

Please note that a staff workshop is scheduled for the Consolidated Dockets, including Docket No. 931196-TL, for February 16, 1994, at 9:30 am, in Room 122 of the Fletcher Building.

Therefore, it is

ORDERED by Chairman J. Terry Deason, that Docket 931196-TL shall be consolidated for hearing with the Dockets set forth in the heading of this Order.

By ORDER of Chairman J. Terry Deason, as Prehearing Officer, this 11th day of February, 1994.

J. TERRY DEASON, Chairman and
Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
