ORDER INDICATING NONJURISDICTIONAL STATUS
OF BEAVER LAKE, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On June 22, 1993, Beaver Lake, Inc. (Beaver Lake) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(4), Florida Statutes. Beaver Lake is located at the Intersection of I-10 and State Road 12, Quincy, Florida. According to the application, Beaver Lake provided service to a campground and convenience store which it owned.

Subsequent to the application, Beaver Lake sold the campground. According to the agreement between Beaver Lake and the new owners of Beaver Lake Campground (Campground), Beaver Lake would continue to provide water service to the campground and the cost of any repairs to the utility would be shared by both the owner of the utility and the Campground. Since, in effect, Beaver Lake would be receiving compensation for service, it no longer qualified for exemption.

On August 25, 1993, Beaver Lake filed an application with this Commission for a certificate to provide water service in Gadsden County. However, on January 12, 1993, Beaver Lake and the Campground revised its agreement to reflect that water service would be provided by Beaver Lake at no charge to the Campground.

On January 18, 1994, Beaver Lake refiled its application with this Commission seeking recognition of its non-jurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Mr. Larry Bell, Sales Manager and primary contact person, filed the application on behalf of Beaver Lake.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or

proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the convenience store and campground located at the Intersection of I-10 and State Road 12, Quincy, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Bell acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Beaver Lake is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Beaver Lake is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Beaver Lake or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Beaver Lake, Inc., Post Office Box 1169, Quincy, Florida 32353, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Beaver Lake, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Beaver Lake's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.
