ORDER INDICATING EXEMPT STATUS OF
FRED W. HOLLAND AND CLOSING DOCKET

BY THE COMMISSION:

On February 8, 1994, Fred W. Holland filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Mr. Holland provides water service to two buildings which he owns in Pasco County. One building houses a real estate office and the other houses a church. The water system is located at 16457 U.S. Highway 41, Brooksville, Florida. Mr. Fred W. Holland, Owner and primary contact person, filed the application.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Mr. Holland provides water service only to its tenants and the service territory is limited to the two buildings housing the church and the real estate office. Also, although there is no lease, according to the information provided, water service is included as a nonspecific portion of the monthly rent.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly

making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Holland acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Mr. Holland is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of water system at 16457 U.S. Highway 41, Brooksville, or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

Holland, 16457 U.S. Highway 41, Brooksville, Florida 34610, is exempt from Commission regulation only for the water system located at 16457 U.S. Highway 41, Brooksville, Florida, pursuant to the provisions of Section 367.022(5), Florida Statutes.
