ORDER CLOSING DOCKET

BY THE COMMISSION:

After a hearing, this Docket remained open for two reasons. The first was to provide Local Exchange Companies with a forum to make comments in the event that there were problems providing the Storefinder service. Based on the responses we have received, it appears that there have been no significant problems in providing the service.

The second reason that the Docket remained open was because Storefinder requested that the service (1) be provided by Feature Group B over D facilities and (2) that ANI be delivered to individual stores. However, on January 21, 1994, Storefinder informed us that it will not pursue the modifications to the service at the present time.

Thus, Docket No. 900823-TL shall be closed.

Therefore, it is

ORDERED by the Florida Public Service Commission that Docket No. 900823-TI is hereby closed.
