ORDER GRANTING EXTENSION OF TIME

On January 26, 1994, the Commission issued Order No. PSC-94-0091-PCO-TL which required United Telephone Company of Florida (United) to conduct specific traffic studies. The results of the study were to be filed by April 26, 1994.

On April 11, 1994, United filed a Motion for Extension of Time to File Traffic Study. This Motion was amended on April 14, 1994. By its Amended Motion, the Company asks for an extension until May 31, 1994, to file the required traffic study. In support of its Motion, the Company argues that due to system limitations and the timing of the Order, the required study was not completed until the end of March of 1994 and that it cannot complete the necessary processing of data in time to file the results of the study by April 26, 1994. Meeting the required date is further complicated by an ongoing upgrade of the Company's message accounting system.

Upon review, I shall grant the Company's Amended Motion. The Company shall file the required study by May 31, 1994.

Therefore, it is

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that United's Amended Motion for an Extension of Time to File Traffic Study is granted as set forth in the body of this Order.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
