ORDER SCHEDULING PUBLIC HEARINGS

On April 5, 1994, the Legal Environmental Assistance Foundation, Inc. (LEAF) filed a Motion to Change Date of Public Hearing. In its motion LEAF requested that the Commission cancel the public hearing scheduled for May 13, 1994, in Tampa, and instead schedule a hearing at a later date in Tampa, and schedule additional hearings in Tallahassee, Lake Worth, and Miami. LEAF also requested that each of the hearings be scheduled to begin at 7:30 p.m.

I support the concept of scheduling public hearings in south, central and north Florida. I also believe that scheduling public hearings after 5:00 p.m. will allow citizens to testify who might otherwise be unable to do so. I therefore grant LEAF's motion in part as follows.

The public hearing scheduled for May 13, 1994 in Tampa will be cancelled. The Tampa hearing will be rescheduled to begin at 6:30 p.m. on Tuesday, July 12, 1994.

A public hearing will be held in Tallahassee, on Wednesday, June 1, 1994, at 5:30 p.m.

A public hearing will be held in Miami, on Thursday, June 30, 1994, at 6:30 p.m.

The Tallahassee hearing will be held in Room 106, Fletcher Building 101 East Gaines Street, Tallahassee, Florida.

The location for the Tampa and Miami hearings will be announced at a later date. Citizens who wish to present testimony

are urged to appear promptly at the scheduled hearings since the hearings will be adjourned after all witnesses present have testified.
