ORDER GRANTING MOTION FOR EXTENSION OF TIME TO FILE DIRECT  
TESTIMONY AND EXTENDING DATES FOR FILING STAFF/INTERVENOR AND  
REBUTTAL TESTIMONY

On April 25, 1994 Peoples Gas System, Inc. (Peoples) filed a Motion for Extension of Time to File Direct Testimony. Peoples suggests that "the quality, depth, and focus of its direct testimony will be significantly improved if Peoples has additional time to prepare its direct testimony." The Motion indicates that no party or known potential intervenor objects to the Motion. Peoples states that Tampa Electric Company (TECO), which has petitioned for intervention in this docket, has no objection to the Motion so long as a corresponding extension is available to TECO. Having reviewed the Motion and, being otherwise advised in the premises, I find that the Motion should be Granted.
