ORDER GRANTING PETITION TO INTERVENE

BY THE COMMISSION:

By Petition filed April 27, 1994, St. George Island Water Sewer District (District) by and through its attorney, Barbara Sanders, requested leave to intervene in the above-captioned proceeding. In its Petition, the District states that its substantial interests will be determined in this docket because it is authorized by Section 153, Florida Statutes, to regulate the use and the supply of water within the district. In addition, the District asserts that the purpose of this proceeding directly affects the residents within the district. No timely response in opposition to the Petition was filed by the utility.

It appears that the District's substantial interests may be affected in this proceeding, and the Petition is therefore granted. Pursuant to Rule 25-22.039, Florida Administrative Code, the District takes the case as it finds it.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by the St. George Island Water Sewer District is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents that are hereinafter filed in this proceeding to Barbara Sanders, Esquire, 53 Avenue C, P.O. Box 157, Apalachicola, Florida, 32320.

By ORDER of the Florida Public Service Commission, this 16th day of May, 1994.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
