NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING EXEMPTION FROM RULE 25-4.076(6), F.A.C., FOR
SPECIFIED PAY TELEPHONE LOCATIONS, TO GTE FLORIDA, INCORPORATED

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On April 6, 1994, GTE Florida Incorporated (GTE) filed a request for exemption from the Rule 25-4.076(6), Florida Administrative Code, requirement that pay telephones receive incoming calls for three of its pay telephones located at 6640 Henley Road in Tampa. Rule 25-4.076(6), Florida Administrative Code, states, "Each telephone station shall allow incoming calls to be received, with the exception of those located at penal institutions, hospitals and schools, and at locations specifically exempted by the Commission." The location owner requested that incoming calls be blocked and the Hillsborough County Sheriff's Office supported that request. The location owner and the sheriff's office believe the telephones are being used for illegal activities.

In Order No. PSC-93-0878-FOF-TL, issued June 10, 1993, we granted the request of GTE Florida, Inc. and BellSouth

Telecommunications, Inc. to block incoming calls at certain pay telephone locations. In that order we also noted that, "[T]here are no set standards for evaluating such a request. Accordingly, the waiver granted herein shall remain in effect only until we have developed such standards, at which time, the propriety of leaving the waiver in effect shall be reexamined." Proposed standards are currently being reviewed by the Commission staff but are not yet in place, so we evaluated this request according to available information and our action on previous requests.

We find GTE's petition to have merit and grant its request to exempt its pay telephones located at 6640 Hanley Road in Tampa from the requirement that pay telephones receive incoming calls. GTE is required to place written notice on each phone stating that incoming calls cannot be received at that location. As in previous cases, we reserve the option to revisit this exemption should that prove appropriate.

It is, therefore,

ORDERED, by the Florida Public Service Commission that GTE's Petition for Exemption from the Rule 25-4.076(6), Florida Administrative Code, requirement that pay telephones receive incoming calls is hereby granted. It is further

ORDERED that, GTE place written notice on each affected phone stating that incoming calls cannot be received at that location. It is further

ORDERED that, unless a person whose substantial interests are affected files a protest in the form and prior to the expiration of the date set forth in the Notice of Further Proceedings, below, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 19th day of May, 1994.
