**ORDER APPROVING TARIFF TO CORRECT  
INFORMATION ON CALL TRACING**

BY THE COMMISSION:

On March 18, 1994, Indiantown Telephone System, Inc. (Indiantown or the Company) filed a proposed tariff to correct information on its General Subscriber Services Tariff.

Indiantown's current tariff provides that the Company will trace calls only when requested to do so by a law enforcement official. Indiantown would like to delete this provision from its tariff since all customers are currently able to initiate call tracing themselves.

Upon consideration, we find that the tariff should be and is hereby approved effective May 17, 1994. This proposal will have no negative impact on the general body of rate payers. A nonrecurring charge of three dollars and fifty cents (\$3.50) will be applied for each successful trace.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff proposing to correct information on Call Tracing filed by Indiantown Telephone System, Inc. (Indiantown or the Company) is approved as set forth in the body of this Order. It is further

ORDERED that this tariff shall be effective May 17, 1994. It is further
