ORDER GRANTING MOTION FOR TEMPORARY PROTECTIVE ORDER

On July 26, 1994, pursuant to Rule 25-22.006(5)(c), Florida Administrative Code, Bellsouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "the Company"), filed two motions requesting temporary protective status for materials and documents produced in response to the Office of Public Counsel's (Public Counsel's) First Request for Production and First Set of Interrogatories.

The purpose of a temporary protective order issued pursuant to Rule 25-22.006(5)(c), Florida Administrative Code, is to facilitate the examination of potentially confidential information by temporarily exempting the information from the disclosure provision of Florida's Public Records Act, Section 119.07(1), Florida Statutes. Under the rule, if information subject to a temporary protective order is to be used in a proceeding, then the utility must file a specific request for confidential treatment. Alternatively, if the material is not to be used in a proceeding, then the material shall be returned to the utility.

In view of the purpose of Rule 25-22.006(5)(c), it is appropriate to provide the relief requested. During the time this Order is in effect, the documents and information referenced herein shall be kept confidential and shall be exempt from disclosure under Section 119.07(1), Florida Statutes. Upon completion of its review of the documents, Public Counsel shall notify the Company of the specific documents it intends to use in this proceeding. The remaining documents shall be returned to Southern Bell. It shall then be Southern Bell's responsibility to request confidential treatment of those portions of the documents that it seeks to protect from disclosure.

Based on the foregoing, it is

ORDERED by Commissioner Diane K. Kiesling that Bellsouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company's Motions for Temporary Protective Order are granted as set forth in the text of this Order. It is further
