ORDER INDICATING EXEMPT STATUS OF
PETE DALTON OFFICE BUILDING AND CLOSING DOCKET

BY THE COMMISSION:

On August 3, 1994, Pete Dalton Office Building (PDOB or Building) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. PDOB is located at 3168 Highway 17 South, Orange Park, Florida. Pete Dalton, owner and primary contact person, filed the application on behalf of PDOB.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. PDOB's application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. Upon review of the application, it was determined that PDOB does not qualify for exemption pursuant to Section 367.021(12), Florida Statutes. It does, however, qualify for exemption pursuant to Section 367.022(5), Florida Statutes.

On August 12, 1994, PDOB refiled its application in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code. Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service.

PDOB's application indicates that it provides water service only to its tenants and the service territory is limited to the Building located at 3168 Highway 17 South, Orange Park, Florida. Also, the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is

guilty of a misdemeanor. By signing the application, Mr. Dalton acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that PDOB is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of PDOB or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Pete Dalton Office Building, 1401 Kingsley Avenue, Orange Park, Florida 32073, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Pete Dalton Office Building or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its exempt status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 19th day of September, 1994.
