ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

AT&T Communications of the Southern States (ATT-C) is seeking approval of a tariff filing wherein it proposes to offer reduced rates across all time-of-day periods for IntraLATA calls completed using Plan Q Service. AT&T Plan Q provides a 10% discount for direct dialed or CIID/891 calling card calls made to the most frequently called area code during each billing period. This service does not include conference calls, directory assisted calls, or calls to 700, 800, and 900 special service codes.

Any subscriber is eligible for the service, but they may not simultaneously subscribe to any other AT&T discount toll plan. Subscription to the service requires no special type of access, but only that the subscriber have local exchange service. Plan Q Service is a business service which is targeted toward low volume customers.

Beginning October 23, 1994 and continuing through February 28, 1995, ATT-C proposes to discount rates on intraLATA calls completed by customers using Plan Q Service. If a business customer's highest usage occurs in a single area code within their LATA, then the lower promotional rates and the usual 10% discount apply. If

a business customer's highest usage in a single area code occurs outside her LATA, only the normal 10% Plan Q discount applies to those calls. All intraLATA calls made will receive the reduced rates.

Because the promotional period extends beyond 90 days within a single year period, ATT-C requests a waiver of the Commission's rule 25-24.485 (1)(i), Florida Administrative Code. This rule restricts promotional offerings to 90 days per customer during any one year period. We do not object to this promotion lasting more than 90 days because the promotion benefits customers by offering them reduced rates. Therefore, upon consideration, we approve the requested waiver of Rule 25-24.485(1)(i), Florida Administrative Code, to allow ATT-C to offer the lower rates over the extended period of time.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that AT&T Communications of the Southern States Inc.'s request for a waiver of Rule 25-24.485(1)(i), Florida Administrative Code, is approved pursuant to Rule 25-24.455(4), Florida Administrative Code, from October 23, 1994 through February 28, 1995 as it applies to the promotion to offer IntraLATA Usage Incentive for Plan Q Service. It is further

ORDERED that if a protest is filed in accordance with the requirements set forth below, the tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. It is further

ORDERED that if no protest is filed in accordance with the requirements set forth below, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 14th day of November, 1994.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on December 5, 1994.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.
