ORDER CANCELLING CERTIFICATES AND CLOSING DOCKETS

BY THE COMMISSION:

The entities listed in the caption of this Order have each requested to voluntarily cancel their certificates of public convenience and necessity, which allow for the provision of pay telephone service. Accordingly, we find it appropriate to cancel the certificates listed below, effective on the date shown.

<u>Name and Company Code</u>	<u>Certificate No.</u>	<u>Effective Date</u>
Michael Withers (TC663) Technology Service Group, Inc. (TE681)	750 3208	12/5/94 12/5/94

Each entity which has not already done so is directed to return its certificate to the Commission.

Our cancellation of the certificates and the closing of these dockets in no way diminishes the above entities' obligation to pay due and owing regulatory assessment fees. A Regulatory Assessment Fee Return notice will be mailed to each entity. Section 364.336, Florida Statutes, requires all certificate holders to pay a minimum of \$50 annually, if the certificate was active during any portion of the calendar year. It is the certificate holder's responsibility to pay any outstanding regulatory assessment fees and failure to receive notice does not relieve this obligation.
