ORDER GRANTING MOTION FOR EXTENSION OF TIME

In Order No. PSC-94-1313-FOF-EG, issued in this docket on October 25, 1994, we approved the adoption of numeric conservation goals for Florida Power and Light Company (FPL). These goals were adopted pursuant to Rules 25-17.001 through 25-17.005, Florida Administrative Code, which require us to set demand side management (DSM) goals for Florida's electric utilities.

On January 13, 1995, Florida Power and Light Company filed a Motion for Extension of Time. The motion requests an extension of time to allow FPL the opportunity to submit its DSM plan in a more carefully prepared manner.

The issues in this case are complex. FPL's assertion that the amount of time required to assemble its plan has turned out to be greater than anticipated is persuasive.

Based on the foregoing, it is therefore

ORDERED that Florida Power and Light Company's Motion for Extension of Time is, hereby, granted. It is further

ORDERED that Florida Power and Light Company's Demand-Side Management plan shall be filed with the Director, Division of Records and Reporting, before the close of business on February 6, 1995.

By ORDER of Commissioner J. Terry Deason, as Prehearing Officer, this 20th day of January, 1995.

J. TERRY DEASON, Commissioner and
