ORDER APPROVING RULE WAIVER, CUSTOMNET TARIFF  
REVISIONS, AND HOME NPA DISCOUNT PROMOTIONS

BY THE COMMISSION:

On March 1, 1995, AT&T Communications of the Southern States, Inc. (ATT-C) filed proposed tariffs to extend IntraLATA Usage Incentives A and P through April 30, 1995, remove certain area code discount language, revise the volume discount schedule, add language regarding the handling of cellular calls, and augment the home numbering plan area (NPA) discount for CustomNet service. In addition, ATT-C proposes to augment the home NPA discount for 800 READYLINE and UNIPLAN services.

800 READYLINE service is a custom switched 800 number service for intrastate calls. CustomNet service permits customer-dialed outward calling from single or multiple customer locations within Florida. CustomNet service also provides a combined outward and inward calling discount option. UNIPLAN service permits outward calling, inward calling or a combination of both from single or multiple customer locations within Florida.

ATT-C proposes to offer a 15 percent discount on intraLATA calls billed to the customer's 800 READYLINE, CustomNet, or UNIPLAN service number that originate from the same (home) NPA. In order to be eligible for these promotions, customers must have less than \$10,000 in combined interstate and intrastate 800 service monthly billed usage charges.

ATT-C proposes to offer the home NPA discount for 800 READYLINE, CustomNet, and UNIPLAN services from March 31, 1995, through August 31, 1995. Under Rule 25-24.485(1)(i), Florida Administrative Code, temporary rate reductions are limited to no more than ninety days per twelve-month period per individual customer.

ATT-C's Custom Network Services' Home NPA options are discretionary products; customers can obtain functionally equivalent services from numerous carriers besides ATT-C. This promotion will make ATT-C's Custom Network Services more affordable to customers. Accordingly, we find it appropriate to waive Rule 25-24.485(1)(i), Florida Administrative Code, and approve ATT-C's proposed tariffs.

It is, therefore,

ORDERED by the Florida Public Service Commission that Rule 25-24.485(1)(i), Florida Administrative Code, which limits temporary rate reductions to no more than ninety days per twelve-month period, per individual customer, is hereby waived. It is further

ORDERED that AT&T Communications of the Southern States, Inc.'s proposed revisions to its CustomNet tariff are approved, effective March 31, 1995. It is further

ORDERED that AT&T Communications of the Southern States, Inc.'s proposed tariff to extend CustomNet IntraLATA Usage Incentives A and P through April 30, 1995, is approved. It is further

ORDERED that AT&T Communications of the Southern States, Inc.'s proposed tariff to enhance and extend the home NPA discount for CustomNet, 800 READYLINE and UNIPLAN services from April 1, 1995, through August 31, 1995, is approved, effective March 31, 1995. It is further

ORDERED that, in the event of a timely protest hereto, this tariff shall remain in effect pending resolution of the protest. It is further

ORDERED that, unless a timely protest is filed hereto, this docket shall be closed.
