ORDER APPROVING RULE WAIVER AND RATE
SCHEDULE AND PROMOTION FOR INTRALATA CALLS

BY THE COMMISSION:

On March 15, 1995, AT&T Communications of the Southern States, Inc. (ATT-C) filed proposed revised tariffs to introduce a statewide usage rate schedule for intraLATA dial station calls and an intraLATA residence dial station promotion. The proposed revised tariff also clarifies certain billing procedures and removes a number of promotional plans that have expired.

Under the proposed statewide usage rate schedule, all ATT-C customers making intraLATA calls will be charged the same rate. Under the intraLATA residence dial station promotion, ATT-C will discount intraLATA rates by up to 15 percent for all customers who make intraLATA calls, even those who subscribe to ATT-C's various optional calling plans.

ATT-C wishes to offer the intraLATA residence dial station promotion from April 15 through October 15, 1995, or for 183 days. Under Rule 25-24.485(1)(i), Florida Administrative Code, such promotions are limited to no more than ninety days per individual customer per twelve-month period. Nevertheless, we believe that the promotion will benefit ATT-C's ratepayers without disadvantaging any customer group. Accordingly, we find it appropriate to waive Rule 25-24.485(1)(i), Florida Administrative Code, and to approve the proposed tariffs.
