ORDER INDICATING THE EXEMPT STATUS OF  
COMMUNITY WATER CO-OP, INC., AND CLOSING DOCKET

BY THE COMMISSION:

On March 9, 1995, Community Water Co-op, Inc., (Community) filed a request for recognition of its exempt status, pursuant to Section 367.022(7), Florida Statutes. Community is located at 1855 SE 185th Court, Silver Springs, Florida. Mr. James R. Kilmer, president and primary contact person, filed the application on behalf of Community.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(7), Florida Statutes.

Section 367.022(7), Florida Statutes, states that nonprofit corporations, associations, or cooperatives providing service solely to members who own and control such nonprofit entities are exempt from Commission regulation. Before an exemption of this nature may be granted, the applicant requesting the exemption must file with the Commission a statement specifying the following: that the corporation is nonprofit, i.e., it provides service solely to its members who own and control it; whether it provides water service, wastewater service, or both; who does its billing; and it must provide its service territory. Additionally, the applicant must submit its Articles of Incorporation as filed with the Secretary of State and its Bylaws. These documents must show clearly the requirements of membership, the members' voting rights, and the circumstances under which control passes to the nondeveloper members.

In its application, Community states that it is a nonprofit corporation organized pursuant to Chapter 617, Florida Statutes; that it provides service solely to its members who own and control it; and that it provides water service only for which it does its own billing. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Community acknowledged that it is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Community is exempt from Commission regulation pursuant to the provisions of Section 367.022(7), Florida Statutes.
