ORDER GRANTING MOTION FOR EXTENSION OF TIME

On June 19, 1995, Orlando Utilities Commission (OUC) filed a Motion for Extension of Time, through and including August 25, 1995, to file its Demand-Side Management Plan (DSM).

OUC claims that Rule 25-17.0021, Florida Administrative Code (F.A.C.) would require the OUC to file its DSM plan by July 10, 1995. OUC argues that the requirement to file by this date does not give OUC adequate time to prepare its DSM plan. OUC must obtain approval of its governing body of its DSM plan. Therefore, OUC asserts that it needs until August 25, 1995, to prepare, obtain approval of and file its Plan.

Rule 25-700021(4), F.A.C., envisions and provides for the Commission to grant extensions for submittal of the DSM plans beyond the 90 days of the final order establishing goals. The rule states "[w]ithin 90 day of a final order establishing or modifying goals, or such longer period as approved by the Commission, each utility shall submit for Commission approval a DSM plan designed to meet the utility's goals..." (Emphasis added.)

OUC believes that the requested extension is reasonable and the prehearing officer agrees. It is unlikely that this requested extension will interfere with the tentatively established hearing date of May 13, 1996.

In consideration of the foregoing, it is

ORDERED by Commissioner Joe Garcia, as Prehearing Officer, that Orlando Utilities Commission's Motion for Extension of Time through and including August 25, 1995, to file its Demand-Side Management plan is granted.
