ORDER SUSPENDING PROCEDURAL SCHEDULE

This docket was opened in August 1994 to investigate the issue of deaveraged toll rates for interexchange carriers and local exchange companies and to investigate whether regulatory flexibility should be given to the local exchange companies. Pursuant to Commission directive, the matter is currently set for hearing on August 28, and August 30 - September 1, 1995.

The controlling procedural dates were set forth in Order No. PSC-95-0413-PCO-TP, issued March 24, 1995. On May 8, 1995, Florida Interexchange Carriers Association filed a Motion to Extend Procedural Dates, because the Florida Legislature passed legislation that may make the consideration of many of the issues in this docket unnecessary. By Order No. PSC-95-0581-PCO-TP, issued on May 10, 1995, this Prehearing Officer granted an extension of time as follows: direct testimony is due on June 12, 1995; Staff's direct testimony is due on June 26, 1995; rebuttal testimony is due on July 10, 1995; and prehearing statements are due on July 10, 1995.

On June 17, 1995, Committee Substitute for Senate Bill 1554 became law without the Governor's signature. Some of the provisions of the bill, such as Section 364.051(6)(a)(2), are directly related to the issues in this docket; therefore, it is appropriate to suspend the filing of testimony and prehearing statements pending an evaluation of the appropriate disposition of this docket. Accordingly, the procedural schedule in this case set forth in Order No. PSC-95-0413-PCO-TP and as modified by Order No. PSC-95-0581-PCO-TP is hereby suspended. Parties will be notified of any subsequent decisions regarding the disposition of this docket.

It is therefore

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that the procedural schedule for this docket is hereby suspended as set forth in the body of this Order.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
