On June 29, 1995, Peoples Telephone Company, Inc. filed a request for an exemption from the Rule 25-24.515(8), Florida Administrative Code, which requires that each telephone station allow incoming calls. Rule 25-24.515(8), Florida Administrative Code, requires that pay telephones receive incoming calls unless the instrument is located at a hospital, school, confinement facility, or other location specifically exempted by this Commission. Any requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the owner of the pay telephone location, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

To facilitate this process, we have approved a form for requesting exemptions. Peoples Telephone Company, Inc., has submitted a Request to Block Incoming Calls for the pay telephone described above. The form is signed by the vice-president for
