ORDER GRANTING MOTION FOR EXTENSION OF TIME  
TO FILE REBUTTAL TESTIMONY AND EXHIBITS

On March 20, 1995, Jacksonville Electric Authority (JEA) petitioned the Florida Public Service Commission (Commission) to resolve a territorial dispute between JEA and Florida Power and Light Company (FPL). Pursuant to Section 366.04, Florida Statutes, jurisdiction lies with the Commission to resolve this dispute.

On August 16, 1995, JEA filed a Motion for Extension of Time to File Prefiled Rebuttal Testimony and Exhibits. The parties have undertaken settlement negotiations on this matter. At this point, JEA believes that the parties may be able to reach a settlement of this matter very soon and that the best interests of all concerned will be better served by continuing to concentrate on negotiations. JEA, therefore, requests that the filing date for Rebuttal Testimony and Exhibits found in the Order Granting Joint Motion for Extension of Time to File Testimony and Prehearing Statements, Order No. PSC-95-0713-PCO-EU, issued in this docket on June 13, 1995, be further extended to August 28, 1995. Counsel for JEA states that counsel for FPL does not object to the requested extension of time. All other portions of Order No. PSC-95-0713-PCO-EU will remain unchanged.

In addition, JEA has agreed that it will serve responses to any interrogatories propounded by the Commission within 14 days. This will ensure that the Commission is able to gather information in a timely manner in order to adequately prepare for the hearing in this docket.

This request for an extension of the filing date is reasonable in light of the ongoing negotiations, and is, hereby, granted.

It is, therefore,

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that the Jacksonville Electric Authority's Motion for Extension of Time to File Prefiled Rebuttal Testimony and Exhibits is granted to the extent set forth in the body of this Order. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
