ORDER GRANTING JOINT MOTION TO SUSPEND REMAINING  
FILING AND HEARING DATES

On March 20, 1995, Jacksonville Electric Authority (JEA) petitioned the Florida Public Service Commission (Commission) to resolve a territorial dispute between JEA and Florida Power and Light Company (FPL). Pursuant to Section 366.04, Florida Statutes, the Commission has jurisdiction to resolve this dispute.

On August 28, 1995, Jacksonville Electric Authority (JEA) filed a Joint Motion to Suspend Remaining Filing and Hearing Dates. Counsel for JEA states that counsel for FPL agrees with the request for suspension of dates and has authorized JEA to execute the motion in FPL's behalf. In the motion, the parties state that they have reached a settlement of this matter and intend to file the appropriate documentation at a future date. The parties are, however, concerned about the scheduling in this docket, should it become necessary to hold a final hearing. JEA, in particular, has expressed concern about losing the opportunity to file rebuttal testimony. The parties, therefore, request that the remaining filing and hearing deadlines scheduled for this docket be suspended and held in abeyance pending resolution of matters concerning the settlement agreement.

Although new dates will have to be set for the remaining scheduled events, suspension of the schedule itself is reasonable. The schedule of events in this docket shall, therefore, be held in abeyance. Should it become necessary to reset this matter for a hearing, the schedule will resume with the filing of Rebuttal Testimony by Jacksonville Electric Authority.

Based on the foregoing, it is therefore

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that Jacksonville Electric Authority's and Florida Power and Light Company's Joint Motion to Suspend Remaining Filing and Hearing Dates is granted as outlined in the body of this Order. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
