ORDER GRANTING INTERVENTION

BY THE COMMISSION:

By motion dated September 26, 1995, Pasco County (County) has requested permission to intervene in this proceeding. The County alleges that because it has constructed its own lines and provides service within the territory at issue in this proceeding, its substantial interests will be adversely affected by the system duplication which will occur if Mad Hatter Utility, Inc.'s, (Mad Hatter or utility) petition for relief in this matter is granted.

The utility has not filed a response to the County's motion. Upon review of the motion, it appears that the County's substantial interests may be affected by this proceeding. The County's Motion to Intervene is therefore granted. Pursuant to Rule 25-22.039, Florida Administrative Code, intervenors take the case as they find it.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Pasco County's Motion to Intervene is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
