NOTICE OF PROPOSED AGENCY ACTION ORDER  
APPROVING BLOCKING OF INCOMING CALLS AT PAY TELEPHONES

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On October 30, 1995, First American Telecommunications filed requests for exemptions from the Rule 25-4.076(6), Florida Administrative Code, requirement that each telephone station allow incoming calls, for the following pay telephones:

<u>Location</u>	<u>City</u>	<u>Instrument Number</u>

location specifically exempted by this Commission. Any requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the owner of the pay telephone location, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone. To facilitate this process, we have approved a form for requesting exemptions. First American Telecommunications submitted a Request to Block Incoming Calls form for each pay telephone described above. The forms are signed by a First American Telecommunications officer, the pay telephone location owner, and the Chief of the Lauderhill Police Department. All parties believe blocking incoming calls at these pay telephones will deter criminal activity.

Accordingly, we approve First American Telecommunications' requests. Pursuant to Rule 25-4.076(6), Florida Administrative Code, First American Telecommunications must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing it is

ORDERED by the Florida Public Service Commission that First American Telecommunications requests to block incoming calls at the pay telephones described in the body of this Order are approved. It is further

ORDERED that First American Telecommunications shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that First American Telecommunications display a notice on each pay telephone which states, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that, unless a person whose substantial interests are affected by the action proposed herein files a petition in the form and by the date specified in the Notice of Further Proceedings or Judicial Review, below, this Order will become final and this docket shall be closed.
