ORDER APPROVING TARIFF

BY THE COMMISSION:

On October 9, 1995, United Telephone Company of Florida (United) filed proposed revisions to its General Exchange Tariff to cancel specific E911 service for Lee County.

United's tariff filing requests authority to cancel the specific Lee County E911 rates and apply the rates established for all other counties.

Lee County's E911 rates were initially approved on May 20, 1985. Subsequently, a different rate design was approved for E911 service in all other counties served by United. Lee County is currently assessed a monthly rate of \$189 per 1,000 access lines. Following approval of this filing, the monthly charge will be \$120 per 1,000 lines, a \$69 reduction.

We find it appropriate to approve United's tariff filing, and Lee County shall receive the lower monthly charge. Accordingly, we approve United's tariff, effective December 9, 1995.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that United Telephone Company of Florida's tariff to cancel specific E911 service for Lee County is approved. It is further
