ORDER INDICATING EXEMPT STATUS
OF STERLING CREST APARTMENTS AND CLOSING DOCKET

BY THE COMMISSION:

On August 23, 1995, Sterling Crest Apartments (Sterling) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Sterling is a 360-unit apartment complex located at 1935 South Kirkman Road, Orlando, Florida. Sterling is owned by Royal American Development. Mr. Joseph F. Chapman IV, Vice President of Royal American Development, and primary contact person, filed the application on behalf of Sterling.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Sterling's application, the service area is limited to the apartment complex located at 1935 South Kirkman Road, Orlando, Florida. Sterling intends to purchase water and wastewater from the Orlando Utilities Commission and resell it to its residents at a rate that does not exceed the actual purchase price. Meters have been installed on each apartment so that the residents will be charged for the actual amount of water used. EnviroCheck has been retained to read the meters on a monthly basis and bill the residents accordingly on behalf of Sterling. Sterling will be responsible for service to common areas and vacant apartments. No administrative or processing fees or miscellaneous charges will be charged to the residents.
