ORDER INDICATING EXEMPT STATUS
OF ARBORS AT MAITLAND SUMMIT AND CLOSING DOCKET

BY THE COMMISSION:

On August 21, 1995, Arbors at Maitland Summit (Arbors) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Arbors is a 363-unit apartment complex located at 8636 Villa Point, Orlando, Florida. The owner of the apartment complex is ZOM Maitland Summit, Limited (ZOM). Mr. Steve Patterson, President of ZOM and primary contact person, filed the application on behalf of Arbors.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Arbors' application, the service area is limited to the apartment complex located at 8636 Villa Point, Orlando, Florida. Arbors intends to purchase water and wastewater service from Orange County and resell it to its residents at the Orange County usage rates; thus, the rates charged by Arbors will not exceed the actual purchase price. Meters have been installed on each apartment so that the residents will be charged for the actual amount of water used. Enviro Check has been retained to read the meters on a monthly basis and bill the residents accordingly on behalf of Arbors. Common area water is prorated between the residents; Arbors' will be responsible for water to vacant apartments. No administrative or processing fees or miscellaneous charges will be charged to the residents.
