ORDER APPROVING TARIFF TO
AMEND FOREIGN LISTINGS SERVICE

BY THE COMMISSION:

On November 16, 1995, Indiantown Telephone System, Inc. (Indiantown) filed a proposed tariff to amend its foreign listings service. Foreign listings service allows customers in other exchanges to maintain listings in Indiantown's white pages. Indiantown has received several requests for white pages listings from customers in other exchanges. For example, some government agencies in Stuart have requested to be listed in Indiantown's white pages.

Currently, foreign listings are provided free of charge. By this filing, Indiantown requests to be allowed to provide foreign listings service at rates comparable to other local exchange companies. Indiantown proposes to provide foreign listings service at the rates of \$.75 per month for residential listings and \$1.00 per month for business listings. We note that the proposed rates are identical to those charged by Northeast Florida Telephone Company and less than the rates charged by Quincy Telephone Company for similar services.

Upon consideration, it appears appropriate to allow Indiantown to charge for foreign listings service. Indiantown's proposed tariff to charge for foreign listings service is, therefore, approved, effective January 16, 1996.
