ORDER INDICATING NONJURISDICTIONAL STATUS  
OF DAVID A. SLENTZ d/b/a SLENTZ ELECTRIC, INC.

BY THE COMMISSION:

On December 4, 1995, David A. Slentz d/b/a Slentz Electric, Inc. (Slentz Electric) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Slentz Electric is located at 1410 18th Avenue Drive East, Palmetto, Florida. Ms. A. Catherine Slentz, Vice President/Owner, filed the application on behalf of Slentz Electric. The primary contact person is Mr. David A. Slentz, 2503 Lantana Lane, Palmetto, Florida 34221.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Slentz Electric's application, water service is provided only to its warehouse located at 1410 18th Avenue Drive East, Palmetto, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

FPC-RECORDS/REPORTING

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Slentz acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Slentz Electric is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Slentz Electric is not subject to this Commission's jurisdiction. However, the owner of Slentz Electric or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, David A. Slentz d/b/a Slentz Electric, Inc., Post Office Box 550, Palmetto, Florida 34221, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes.
