ORDER INDICATING NONJURISDICTIONAL STATUS
OF VALLEY FARMS MIGRANT LABOR CAMP

BY THE COMMISSION:

On December 18, 1995, Valley Farms Migrant Labor Camp (Valley Farms) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Valley Farms is located approximately 12 to 14 miles from Bradenton on the north side of State Road 64, one-half mile east of Interstate 75. Valley Farms is owned by Harlee Farms, Inc. Mr. Peter S. Harlee, Jr., President of Harlee Farms, Inc., filed the application on behalf of Valley Farms. The primary contact person is Mr. Robert Cohron.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Valley Farms' application, water service is provided only to the migrant labor camp; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Harllee acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Valley Farms is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Valley Farms is not subject to this Commission's jurisdiction. However, the owner of Valley Farms or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Valley Farms Migrant Labor Camp, c/o Harllee Farms, Inc., Post Office Box 8, Palmetto, Florida 34221, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket shall remain open to process additional applications.

By ORDER of the Florida Public Service Commission, this 18th day of March, 1996.
