ORDER CLOSING DOCKET

BY THE COMMISSION:

Under Chapter 119, Florida Statutes, documents submitted to state, county, and municipal governments are public records. The only exceptions are specific statutory exemptions and exemptions granted by governmental agencies pursuant to specific statutory provisions. Pursuant to Section 364.183, Florida Statutes, certain types of proprietary, confidential business information may be held exempt from the public records law, upon a showing by the owner of the information, and a finding by the Commission, that public disclosure of the information would harm either the owner of the information or its customers. Under Section 364.183(4), Florida Statutes, any confidentiality granted by the Commission expires after eighteen months in the absence of a renewed request.

On March 1, 1995, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell) filed requests for continued confidential classification of portions of Documents Nos. 07624-92, 09522-92, 10440-92, 10441-92, 10523-92, 10814-92, 11251-92, and 11781-92, which are each part of the record in this docket, and which were previously found to be confidential, proprietary business information. Docket No. 920255-TL was, accordingly, reopened to address its requests. GTE Florida Incorporated (GTEFL) filed a similar request for continued confidential classification of portions of Documents Nos. 08531-92, 09598-92, and 11506-92.
