ORDER INDICATING NONJURISDICTIONAL STATUS
OF MIAMI VALLEY CONCRETE

BY THE COMMISSION:

On December 4, 1995, Miami Valley Concrete filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Miami Valley Concrete is the registered fictitious name for Miami Valley Ready Mix of Florida, Inc. Miami Valley Concrete is located at 3111 17th Street, East, Ellenton, Florida. Mr. James C. Brown, President/Owner, filed the application on behalf of Miami Valley Concrete. The primary contact person is Mr. James Twiggs.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Miami Valley Concrete's application, water service is provided only to the business located at 3111 17th Street, East, Ellenton, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

FPSC-RECORDS/REPORTING

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Brown acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Miami Valley Concrete is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Miami Valley Concrete is not subject to this Commission's jurisdiction. However, the owner of Miami Valley Concrete or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Miami Valley Concrete, Post Office Box 241, Ellenton, Florida 34222, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket shall remain open to process additional applications.

By ORDER of the Florida Public Service Commission, this 17th day of June, 1996.
