ORDER APPROVING TARIFF TO  
INTRODUCE CALLER ID DELUXE

BY THE COMMISSION:

On June 3, 1996, ALLTEL Florida, Inc. (ALLTEL) filed a proposed tariff to introduce a new custom calling feature, Caller ID Deluxe, to its existing services. Caller ID Deluxe allows the customer to view, on a display unit, the directory name and number of the calling party. The display unit may be an ancillary device which is attached to the customer's telephone or a special telephone set with a display unit built in.

Customers subscribing to Caller ID Deluxe will be responsible for providing the display device. Installation and maintenance of the display device will also be the customers' responsibility. ALLTEL assumes no liability and will be held harmless for any incompatibility of the display device to perform satisfactorily with the network features.

ALLTEL proposes a monthly recurring rate of \$1.50 per access line. The proposed monthly recurring rate will cover costs and include a contribution to ALLTEL. ALLTEL estimates that the net revenue for Caller ID Deluxe is \$61,739 over the next two years. The rate proposed is comparable to the rate charged by other local exchange companies for the same service.

Upon consideration of the above, we find it appropriate to approve ALLTEL's proposed tariff to introduce Caller ID Deluxe.
