ORDER GRANTING MOTION FOR EXTENSION OF TIME  
TO FILE LATE FILED EXHIBIT NO. 24

By motion dated September 20, 1996, Aloha Utilities, Inc. (hereinafter "Aloha"), by and through its undersigned counsel, filed its Motion for Extension of Time to File Late Filed Exhibit No. 24 in the above-referenced matters.

At the hearing held on September 9 and 10, 1996, six late-filed exhibits were identified to be filed by Aloha. Two of these were due on September 17, 1996, three were due on September 24, 1996, and Late-Filed Exhibit No. 24, the response to customer comments, was due one week after the transcript was filed.

Aloha states that it has filed the first two exhibits in accordance with the ordered due date and that it expects to file the other three exhibits on the due date of September 24, 1996. However, since the transcript in this proceeding was issued on September 17, 1996, Late-Filed Exhibit No. 24 is also due on September 24, 1996.

Aloha notes that the hearing held on September 9th and 10th included testimony by approximately 57 customers. Due to this large number, Aloha has requested that it be given up to and including October 15, 1996, to respond. Since the hearing has been scheduled to be continued on October 28, 1996, Aloha states that no party will be prejudiced by the requested extension of time. Further, counsel for Aloha has contacted the Office of the Public and staff counsel, who stated they had no objection to the extension requested.

Based on the foregoing, it is

ORDERED by Chairman Susan F. Clark as Prehearing Officer, that the Motion for Extension of Time to File Late-Filed Exhibit No. 24 filed by Aloha Utilities, Inc., is granted, and Aloha Utilities,
