AMENDATORY ORDER

On July 15, 1996, this Commission issued Proposed Agency Action Order No. PSC-96-0910-FOF-WS, granting final rates and charges to Lake Placid Utilities, Inc. On page three of the Order it states, "Lake Placid's service area is completely built out." On page four of the Order it states, "The area is completely built out."

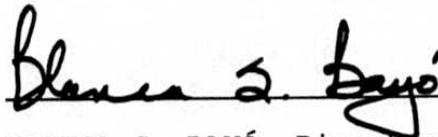

In both sentences the word "completely" was used inadvertently. Our vote was based upon staff's recommendation which stated in both sentences that the service area was "essentially" built out. Accordingly, we find the body of the Order should be amended by substituting the word "essentially" for the word "completely".

It is therefore,

ORDERED by the Florida Public Service Commission that Order No. PSC-96-0910-FOF-WS is hereby amended to reflect the substitution of the word "essentially" for the word "completely" as described in this Amendatory Order. It is further

ORDERED that Order No. PSC-96-0910-FOF-WS is hereby affirmed in all other respects.

By ORDER of the Florida Public Service Commission, this 27th day of September, 1996.
