GlobalCom has stated that it will continue to furnish telephone service pursuant to authority granted by the Commission and under tariffs on file with and approved by the Commission. The transfer of control will be transparent to, and will have no adverse impact upon, GlobalCom's customers. GlobalCom has also stated that as a wholly-owned subsidiary of Comcast, it will have access to the financial resources it needs to introduce new products and services and to respond to competition in the competitive telecommunications environment in Florida. Thus, consumers in Florida will benefit from a greater number of product and service options, as well as lower prices.

We determine that the transfer of control of stock from GlobalCom to Comcast is in the public interest and, accordingly, we hereby approve the transfer.

Based on the foregoing, it is,

ORDERED by the Florida Public Service Commission that the transfer of control of stock from GlobalCom Telecommunications, Inc. to Comcast Telephony Communications, Inc. is hereby approved. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.
