BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

Telaleasing Enterprises, Inc., (Telaleasing) has filed Requests for Exemption from the requirement that each telephone station shall allow incoming calls from each of the pay telephones listed below. Each of Telaleasing's requests includes an attestation by Telaleasing, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption for Docket No. 970907-TC was filed on July 18, 1997. The Notice of Request for Exemption was submitted to the Secretary of State on July 30, 1997 for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended August 22, 1997.

Upon consideration, it appears appropriate to grant Telaleasing's requests. Telaleasing has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, Telaleasing has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for the Telaleasing as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, Telaleasing must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."
