

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Resolution of the Board of County Commissioners of Manatee County declaring Manatee County subject to the provisions of Chapter 367, F.S. - Request for exemption from Florida Public Service Commission regulation for provision of water service by Manatee Oil Distributors, Inc. (Port Stop #3).

DOCKET NO. 951235-WS
ORDER NO. PSC-98-0240-FOF-WS
ISSUED: February 6, 1998

ORDER INDICATING NONJURISDICTIONAL STATUS OF
MANATEE OIL DISTRIBUTORS, INC. (PORT STOP #3)

BY THE COMMISSION:

On December 4, 1995, Port Stop #3 filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. However, from a review of the application, it was determined that the business (convenience store known as Port Stop #3 or Parrish BP), land and water system which serves Port Stop #3 (convenience store) is owned by Manatee Oil Distributors, Inc. (MODI). Therefore, MODI is seeking recognition of its nonjurisdictional status for the convenience store located at U.S. 301 and State Road 675, Parrish, Manatee County, Florida. Mr. Ryan Regal, President, and primary contact person, filed the application on behalf of MODI.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or

proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to MODI's application, water service is provided only to the convenience store located at U.S. 301 and State Road 675, Parrish, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Regal acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that MODI (Port Stop #3/Parrish BP) is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, MODI is not subject to this Commission's jurisdiction. However, the owner of MODI or any successors in interest are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify as a nonjurisdictional entity pursuant to Section 367.021, Florida Statutes, it should inform the Commission within 30 days of such change so that its status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Manatee Oil Distributors, Inc., Box 70, Bradenton, Florida 34206, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. Such recognition of Manatee Oil Distributors, Inc.'s nonjurisdictional status applies only to the water system serving the convenience store (Port Stop #3/Parrish BP) located at U.S. 301 and State Road 675, Parrish, Florida. It is further

ORDERED that this Docket shall remain open to process additional applications.
