ORDER INDICATING NONJURISDICTIONAL STATUS
OF OUTWARD BOUND

BY THE COMMISSION:

On December 18, 1995, Outward Bound filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(6), Florida Statutes. However, after reviewing the application, it was determined that Outward Bound is a nonjurisdictional entity, pursuant to Section 367.021(12), Florida Statutes. Outward Bound is a school located at 38620 State Road 64 East, Myakka City, Florida. Mr. Mike Muley, Executive Administrator, and primary contact person, filed the application on behalf of Outward Bound. Mr. Muley's address is 907 North Gadsden Street, Tallahassee, Florida 32303.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Outward Bound's application, water service is provided only to the school located at 38620 State Road 64 East, Myakka City, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as

operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Muley acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Outward Bound is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Outward Bound is not subject to this Commission's jurisdiction. However, the owner of Outward Bound or any successors in interest are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify as a nonjurisdictional entity pursuant to Section 367.021(12), Florida Statutes, it should inform the Commission within 30 days of such change so that its status may be reevaluated.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Outward Bound, Route 1, Box 569, Myakka City, Florida 34251, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket shall remain open to process additional applications.

By ORDER of the Florida Public Service Commission this 11th day of February, 1998.
