DOCKET NO. 980002-EG  
ORDER NO. PSC-98-1283-PCO-EG  
ISSUED: October 2, 1998

ORDER GRANTING EXTENSION OF FILING DEADLINE  
FOR GULF POWER COMPANY

By Order No. PSC-98-1239-PCO-EG, issued September 21, 1998, dates were established to govern the key activities in this docket. Pursuant to that Order, parties participating in the November 1998 hearing for this docket are required to make projection filings by October 5, 1998. By letter dated September 30, 1998, Gulf Power Company (Gulf) requests an extension of time so that it may make its projection filings on October 12, 1998. The letter indicates that all parties of record were provided a copy of Gulf's request.

Gulf's request is based on the disruption of its normal business operations caused by Hurricane Georges. In its request, Gulf states that a number of the people ordinarily involved in completing the projection filings have been moved from normal work to storm-related duty assignments. Further, Gulf states that the performance of normal work assignments has been hindered due to clean-up efforts at its corporate headquarters, which sustained water damage due to the storm's high winds and rain. Gulf believes that a one week extension should be sufficient to allow it to complete its projection filings in a reasonable manner.

Upon consideration, Gulf's request for an extension to make its projection filings in this docket is granted. Gulf shall make its projection filings on or before October 12, 1998.

Based on the foregoing, it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that Gulf Power Company's request for an extension of time to make its projection filings in this docket is granted. Gulf shall make its projection filings on or before October 12, 1998.
