The entities listed below have not paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years specified below, along with statutory penalties and interest charges. Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual regulatory assessment fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing pay telephone service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

The regulatory assessment fee forms are mailed to the entities in December of every year, for the period of January 1, through December 31. The entities have been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was received but not acknowledged. To date, the entities have not paid the required fees.

For the reason described above, pursuant to Rule 25-24.514(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel each entity's certificate for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a \$500 fine and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. Each entity must comply with these requirements within five business days from the date this Order becomes final. The fines will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

In the absence of such a petition, this order shall become effective on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure.
