ORDER APPROVING AMENDMENT
TO ARBITRATED AGREEMENT

BY THE COMMISSION:

Part II of the Federal Telecommunications Act of 1996 (Act) sets forth provisions regarding the development of competitive markets in the telecommunications industry. Section 251 of the Act concerns interconnection with the incumbent local exchange carrier, while Section 252 sets forth the procedures for negotiation, arbitration, and approval of agreements.

Section 252(b) addresses agreements reached through compulsory arbitration. Specifically, Section 252(b)(1) states:

(1) Arbitration.-During the period from the 135th day to the 160th day (inclusive) after the date on which an incumbent local exchange carrier receives a request for negotiation under this section, the carrier or any other party to the negotiation may petition a State commission to arbitrate any open issues.

FPSC-RECORDS/REPORTING

Section 252(b)(4)(C) states that the state commission shall resolve each issue set forth in the petition and response, if any, by imposing the appropriate conditions as required. This section requires that we conclude the resolution of any unresolved issues not later than 9 months after the date on which the local exchange carrier received the request under this section.

On December 16, 1996, we issued Order No. PSC-96-1531-FOF-TP, in Docket No. 960757-TP. By that Order, which involved Metropolitan Fiber Systems of Florida, Inc. (MFS) and BellSouth Telecommunications, Inc., (BellSouth), we ordered BellSouth to file cost studies so that permanent rates could be established for specific unbundled network elements. On December 31, 1996, we issued Order No. PSC-96-1579-FOF-TP in Docket Nos. 960833-TP and 960846-TP. In that Order, which involved BellSouth, AT&T Communications of the Southern States (AT&T), and MCI Telecommunications Corporation and MCI Metro Access Transmission Services, Inc., (MCI), we again ordered BellSouth to file cost studies. Specifically, we ordered BellSouth to file cost studies on those elements for which we established interim rates so that permanent rates could be established.

On January 26-28, 1998, we held a hearing for the consolidated dockets. By Order No. PSC-98-0604-FOF-TP, issued April 29, 1998, we set permanent rates for unbundled network elements identified in Docket Nos. 960833-TP, 960757-TP, and 960846-TP. In accordance with Order No. PSC-98-0604-FOF-TP, the parties were to submit amendments to their arbitration agreements memorializing and implementing our decisions in that Order by May 29, 1998. On that day, AT&T filed a Joint Motion with BellSouth for Extension of Time to File Revisions to the Interconnection Agreement. By Order No. PSC-98-0844-FOF-TP, we granted the Joint Motion for Extension of Time. On October 23, 1998, we issued an Order amending Order No. PSC-98-0604-FOF-TP to correct a scrivener's error regarding a specific rate.

On November 24, 1998, the parties filed the required amendments to their respective Interconnection, Unbundling and Resale Agreements for our approval pursuant to Section 252(e) of the Telecommunications Act of 1996, by December 23, 1998. In this Order, we address only the amendment to the BellSouth/MFS agreement. The amendment to the BellSouth/MFS agreement is attached and incorporated herein as Attachment A.

Upon consideration, we find that the amendment submitted by the parties in Docket No. 960757-TP comports with our Orders in these consolidated dockets. Thus, we hereby approve the amended agreement in accordance with Section 252(e) of the Telecommunications Act of 1996.

Based on the foregoing, it is therefore

ORDERED by the Florida Public Service Commission that the amendment submitted by Metropolitan Fiber Systems of Florida, Inc. and BellSouth Telecommunications, Inc., which is attached and incorporated herein as Attachment A, is hereby approved. It is further

ORDERED that this Docket shall be closed.

By ORDER of the Florida Public Service Commission this 5th day of January, 1999.
