**Agreement Between BellSouth Telecommunications, Inc. and Cable and Wireless, Inc. Regarding  
The Sale of BellSouth Telecommunications Services to Cable and Wireless, Inc. For The Purposes  
of Resale**

**THIS AGREEMENT** is by and between **BellSouth Telecommunications, Inc.**, ("BellSouth" or "Company"), a Georgia corporation, and **Cable and Wireless, Inc.** ("C&W USA"), a Washington, DC corporation, and shall be deemed effective as of October 5, 1998.

**WITNESSETH**

WHEREAS, BellSouth is a local exchange telecommunications company authorized to provide telecommunications services in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and

WHEREAS, C&W USA is or seeks to become an alternative local exchange telecommunications company authorized to provide telecommunications services in the state(s) of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and;

WHEREAS, C&W USA desires to resell BellSouth's telecommunications services; and

WHEREAS, BellSouth has agreed to provide such services to C&W USA for resale purposes and pursuant to the terms and conditions set forth herein;

NOW, THEREFORE, for and in consideration of the mutual premises and promises contained herein, BellSouth and C&W USA do hereby agree as follows:

**I. Term of the Agreement**

- A. The term of this Agreement shall be two years beginning the date on which both parties have signed and shall apply to all of BellSouth's serving territory as of January 1, 1998 in the state(s) of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and
- B. This Agreement shall be automatically renewed for two additional one year periods unless either party indicates its intent not to renew the Agreement. Notice of such intent must be provided, in writing, to the other party no later than 60 days prior to the end of the then-existing contract period. The terms of this Agreement shall remain in effect after the term of the existing agreement has expired and while a new agreement is being negotiated.

The rates pursuant by which C&W USA is to purchase services from BellSouth for resale shall be at a discount rate off of the retail rate for the telecommunications service. The discount rates shall be as set forth in Exhibit A, attached hereto and incorporated herein by this reference. Such discount shall reflect the costs avoided by BellSouth when selling a service for wholesale purposes.

**II. Definition of Terms**

Notwithstanding the foregoing, the exclusions and limitations on services available for resale will be as set forth in Exhibit B, attached hereto and incorporated herein by this reference.

BellSouth shall make available telecommunications services for resale at the rates set forth in Exhibit A to this agreement and subject to the exclusions and limitations set forth in Exhibit B to this agreement. It does not however waive its rights to appeal or otherwise challenge any decision regarding resale that resulted in the discount rates contained in Exhibit A or the exclusions and limitations contained in Exhibit B. BellSouth reserves the right to pursue any and all legal and/or equitable remedies, including appeals of any decisions. If such appeals or challenges result in changes in the discount rates or exclusions and limitations, the parties agree that appropriate modifications to this Agreement will be made promptly to make its terms consistent with the outcome of the appeal.

- B. C&W USA may purchase resale services from BellSouth for their own use in operating their business. The resale discount will apply to those services under the following conditions:

- H. Neither Party shall interfere with the right of any person or entity to obtain service directly from the other Party.
- I. Current telephone numbers may normally be retained by the end user. However, telephone numbers are the property of the Company and are assigned to the service furnished. C&W USA has no property right to the telephone number or any other call number designation associated with services furnished by the Company, and no right to the continuance of service through any particular central office. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, whenever the Company deems it necessary to do so in the conduct of its business.
- J. The Company may provide any service or facility for which a charge is not established herein, as long as it is offered on the same terms to C&W USA.
- K. Service is furnished subject to the condition that it will not be used for any unlawful purpose.
- L. Service will be discontinued if any law enforcement agency advises that the service being used is in violation of the law.

- O. The Company will cooperate fully with law enforcement agencies with subpoenas and court orders for assistance with the Company's customers. Law enforcement agency subpoenas and court orders regarding end users of C&W USA will be directed to C&W USA. The Company will bill C&W USA for implementing any requests by law enforcement agencies regarding C&W USA end users.
- P. The characteristics and methods of operation of any circuits, facilities or equipment provided by any person or entity other than the Company shall not:
  - 1. Interfere with or impair service over any facilities of the Company, its affiliates, or its connecting and concurring carriers involved in its service;
  - 2. Cause damage to their plant;

3. Impair the privacy of any communications; or
  4. Create hazards to any employees or the public.
- Q. C&W USA assumes the responsibility of notifying the Company regarding less than standard operations with respect to services provided by C&W USA.
- R. Facilities and/or equipment utilized by BellSouth to provide service to C&W USA remain the property of BellSouth.
- S. White page directory listings will be provided in accordance with regulations set forth in Section A6 of the General Subscriber Service Tariff and will be available for resale.
- T. BellSouth will provide customer record information to C&W USA provided C&W USA has the appropriate Letter(s) of Authorization. BellSouth may provide customer record information via one of the following methods: US mail, fax, or by electronic interface. BellSouth will provide customer record information via US mail or fax on an interim basis only.
1. C&W USA agrees to compensate BellSouth for all BellSouth incurred expenditures associated with providing such information to C&W USA. C&W USA will adopt and adhere to the BellSouth guidelines associated with each method of providing customer record information.
  2. All costs incurred by BellSouth to develop and implement operational interfaces shall be recovered from C&W USA who utilize the services.
- U. BellSouth will provide certain selected messaging services to C&W USA for resale of messaging service without the wholesale discount.
- V. BellSouth's Inside Wire Maintenance Plans may be made available for resale at rates, terms and conditions as set forth by BellSouth and without the wholesale discount.
- W. All costs incurred by BellSouth for providing services to C&W USA that are not covered in the BellSouth tariffs shall be recovered from the CLEC who utilizes those services.
- IV. BellSouth's Provision of Services to C&W USA
- A. C&W USA agrees that its resale of BellSouth services shall be as follows:
1. The resale of telecommunications services shall be limited to users and uses conforming to the class of service restrictions.
  2. To the extent C&W USA is a telecommunications carrier that serves greater than 5 percent of the Nation's presubscribed access lines, C&W USA shall not jointly market its interLATA services with the telecommunications services purchased from BellSouth pursuant to this Agreement in any of the states covered under this Agreement. For the purposes of this subsection, to jointly market means any advertisement, marketing effort or billing in which the telecommunications services purchased from BellSouth for purposes of resale to customers and interLATA services offered by C&W USA are packaged, tied, bundled, discounted or offered together in any way to the end user. Such efforts include, but are not limited to, sales referrals, resale arrangements, sales agencies or billing agreements. This subsection shall be void and of no effect for a particular state covered under this Agreement as of February 8, 1999 or on the date BellSouth is authorized to offer interLATA services in that state, whichever is earlier.

3. Hotel and Hospital PBX service are the only telecommunications services available for resale to Hotel/Motel and Hospital end users, respectively. Similarly, Access Line Service for Customer Provided Coin Telephones is the only local service available for resale to Independent Payphone Provider (IPP) customers. Shared Tenant Service customers can only be sold those telecommunications services available in the Company's A23 Shared Tenant Service Tariff.
  4. C&W USA is prohibited from furnishing both flat and measured rate service on the same business premises to the same subscribers (end users) as stated in A2 of the Company's Tariff except for backup service as indicated in the applicable state tariff Section A3.
  5. If telephone service is established and it is subsequently determined that the class of service restriction has been violated, C&W USA will be notified and billing for that service will be immediately changed to the appropriate class of service. Service charges for changes between class of service, back billing, and interest as described in this subsection shall apply at the Company's sole discretion. Interest at a rate as set forth in Section A2 of the General Subscriber Service Tariff and Section B2 of the Private Line Service Tariff for the applicable state, compounded daily for the number of days from the back billing date to and including the date that C&W USAC&W USA actually makes the payment to the Company may be assessed.
  6. The Company reserves the right to periodically audit services purchased by C&W USA to establish authenticity of use. Such audit shall not occur more than once in a calendar year. C&W USA shall make any and all records and data available to the Company or the Company's auditors on a reasonable basis. The Company shall bear the cost of said audit.
- B. Resold services can only be used in the same manner as specified in the Company's Tariff. Resold services are subject to the same terms and conditions as are specified for such services when furnished to an individual end user of the Company in the appropriate section of the Company's Tariffs. Specific tariff features, e.g. a usage allowance per month, shall not be aggregated across multiple resold services. Resold services cannot be used to aggregate traffic from more than one end user customer except as specified in Section A23. of the Company's Tariff referring to Shared Tenant Service.
- C. C&W USA may resell services only within the specific resale service area as defined in its certificate.
- D. Telephone numbers transmitted via any resold service feature are intended solely for the use of the end user of the feature. Resale of this information is prohibited.
- E. No patent, copyright, trademark or other proprietary right is licensed, granted or otherwise transferred by this Agreement. C&W USA is strictly prohibited from any use, including but not limited to sales, marketing or advertising, of any BellSouth name or trademark.

#### V. Maintenance of Services

- A. C&W USA will adopt and adhere to the standards contained in the applicable BellSouth Work Center Interface Agreement regarding maintenance and installation of service.
- B. Services resold under the Company's Tariffs and facilities and equipment provided by the Company shall be maintained by the Company.
- C. C&W USA or its end users may not rearrange, move, disconnect, remove or attempt to repair any facilities owned by the Company, other than by connection or disconnection to any interface means used, except with the written consent of the Company.

- D. C&W USA accepts responsibility to notify the Company of situations that arise that may result in a service problem.
- E. C&W USA will be the Company's single point of contact for all repair calls on behalf of C&W USA's end users. The parties agree to provide one another with toll-free contact numbers for such purposes.
- F. C&W USA will contact the appropriate repair centers in accordance with procedures established by the Company.
- G. For all repair requests, C&W USA accepts responsibility for adhering to the Company's prescreening guidelines prior to referring the trouble to the Company.
- H. The Company will bill C&W USA for handling troubles that are found not to be in the Company's network pursuant to its standard time and material charges. The standard time and material charges will be no more than what BellSouth charges to its retail customers for the same services.
- I. The Company reserves the right to contact C&W USA's customers, if deemed necessary, for maintenance purposes. If BellSouth should need to contact C&W USA's customers, BellSouth shall state that it is representing C&W USA.

#### VI. Establishment of Service

- A. After receiving certification as a local exchange company from the appropriate regulatory agency, C&W USA will provide the appropriate Company service center the necessary documentation to enable the Company to establish a master account for C&W USA. Such documentation shall include the Application for Master Account, proof of authority to provide telecommunications services, an Operating Company Number ("OCN") assigned by the National Exchange Carriers Association ("NECA") and a tax exemption certificate, if applicable. When necessary deposit requirements are met, the Company will begin taking orders for the resale of service.
- B. Service orders will be in a standard format designated by the Company.
- C. When notification is received from C&W USA that a current customer of the Company will subscribe to C&W USA's service, standard service order intervals for the appropriate class of service will apply.
- D. The Company will not require end user confirmation prior to establishing service for C&W USA's end user customer. C&W USA must, however, be able to demonstrate end user authorization upon request.
- E. C&W USA will be the single point of contact with the Company for all subsequent ordering activity resulting in additions or changes to resold services except that the Company will accept a request directly from the end user for conversion of the end user's service from C&W USA to the Company or will accept a request from another OLEC for conversion of the end user's service from C&W USA to the other LEC. The Company will notify C&W USA that such a request has been processed.
- F. If the Company determines that an unauthorized change in local service to C&W USA has occurred, the Company will reestablish service with the appropriate local service provider and will assess C&W USA as the OLEC initiating the unauthorized change, the unauthorized change charge described in F.C.C. Tariff No. 1, Section 13. Appropriate nonrecurring charges, as set forth in Section A4. of the General Subscriber Service Tariff, will also be assessed to C&W USA. These charges can be adjusted if C&W USAC&W USA provides satisfactory proof of authorization.
- G. In order to safeguard its interest, the Company reserves the right to secure the account with a suitable form of security deposit, unless satisfactory credit has already been established.

1. Such security deposit shall take the form of an irrevocable Letter of Credit or other forms of security acceptable to the Company. Any such security deposit may be held during the continuance of the service as security for the payment of any and all amounts accruing for the service.
2. If a security deposit is required, such security deposit shall be made prior to the inauguration of service.
3. Such security deposit may not exceed two months' estimated billing.
4. The fact that a security deposit has been made in no way relieves C&W USA from complying with the Company's regulations as to advance payments and the prompt payment of bills on presentation nor does it constitute a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of any sums due the Company.
5. The Company reserves the right to increase the security deposit requirements when, in its sole judgment, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the security deposit.
6. In the event that C&W USA defaults on its account, service to C&W USA will be terminated and any security deposits held will be applied to its account.
7. In the case of a cash deposit, interest at a rate as set forth in the appropriate BellSouth tariff shall be paid to C&W USA during the continuance of the security deposit. Interest on a security deposit shall accrue annually and, if requested, shall be annually credited to C&W USA by the accrual date.

#### VII. Payment And Billing Arrangements

- A. When the initial service is ordered by C&W USA, the Company will establish an accounts receivable master account for C&W USA.
- B. The Company shall bill C&W USA on a current basis all applicable charges and credits.
- C. Payment of all charges will be the responsibility of C&W USA. C&W USA shall make payment to the Company for all services billed. The Company is not responsible for payments not received by C&W USA from C&W USA's customer. The Company will not become involved in billing disputes that may arise between C&W USA and its customer. Payments made to the Company as payment on account will be credited to an accounts receivable master account and not to an end user's account.
- D. The Company will render bills each month on established bill days for each of C&W USA's accounts.
- E. The Company will bill C&W USA, in advance, charges for all services to be provided during the ensuing billing period except charges associated with service usage, which charges will be billed in arrears. Charges will be calculated on an individual end user account level, including, if applicable, any charges for usage or usage allowances. BellSouth will also bill all charges, including but not limited to 911 and E911 charges, telecommunications relay charges, and franchise fees, to C&W USA.
- F. The payment will be due by the next bill date (i.e., same date in the following month as the bill date) and is payable in immediately available funds. Payment is considered to have been made when received by the Company. The payment will be due by the next bill date (i.e., same date in the following month as the

bill date) and is payable in immediately available funds. Payment is considered to have been made when received by BellSouth. All bills must be received by C&W USA no later than ten (10) calendar days from the bill date and at least twenty (20) calendar days prior to the payment due date, whichever is earlier. If BellSouth fails to send the billing data and information within the time period specified above, the payment due date will be extended by the number of days the bill is late if C&W USA notifies BellSouth and requests extension of due date.

1. If the payment due date falls on a Sunday or on a Holiday which is observed on a Monday, the payment due date shall be the first non-Holiday day following such Sunday or Holiday. If the payment due date falls on a Saturday or on a Holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-Holiday day preceding such Saturday or Holiday. If payment is not received by the payment due date, a late payment penalty, as set forth in I. following, shall apply.

G. Billing Disputes

1. Each Party agrees to notify the other Party upon the discovery of a billing dispute. In the event of a billing dispute, the Parties will endeavor to resolve the dispute within sixty (60) calendar days of the Bill Date on which such disputed charges appear. Resolution of the dispute is expected to occur at the first level of management resulting in a recommendation for settlement of the dispute and closure of a specific billing period. If the issues are not resolved within the allotted time frame, the following resolution procedure will begin:
    - 1.1 If the dispute is not resolved within sixty (60) days of the Bill Date, the dispute will be escalated to the second level of management for each of the respective Parties for resolution. If the dispute is not resolved within ninety (90) days of the Bill Date, the dispute will be escalated to the third level of management for each of the respective Parties for resolution.
    - 1.2 If the dispute is not resolved within one hundred and twenty (120) days of the Bill Date, the dispute will be escalated to the fourth level of management for each of the respective Parties for resolution.
  2. If a Party disputes a charge and does not pay such charge by the payment due date, such charges shall be subject to late payment charges as set forth in the Late Payment Charges provision of this Attachment. If a Party disputes charges and the dispute is resolved in favor of such Party, the other Party shall credit the bill of the disputing Party for the amount of the disputed charges along with any late payment charges assessed no later than the second Bill Date after the resolution of the dispute. Accordingly, if a Party disputes charges and the dispute is resolved in favor of the other Party, the disputing Party shall pay the other Party the amount of the disputed charges and any associated late payment charges assessed no later than the second bill payment due date after the resolution of the dispute. In no event, however, shall any late payment charges be assessed on any previously assessed late payment charges.
- H. Upon proof of tax exempt certification from C&W USA, the total amount billed to C&W USA will not include any taxes due from the end user. C&W USA will be solely responsible for the computation, tracking, reporting and payment of all federal, state and/or local jurisdiction taxes associated with the services resold to the end user.
- I. As the customer of record, C&W USA will be responsible for, and remit to the Company, all charges applicable to its resold services for emergency services (E911 and 911) and Telecommunications Relay Service (TRS) as well as any other charges of a similar nature.

- J. If any portion of the payment is received by the Company after the payment due date as set forth preceding, or if any portion of the payment is received by the Company in funds that are not immediately available to the Company, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the payment due date times a late factor. The late factor shall be as set forth in Section A2 of the General Subscriber Service Tariff and Section B2 of the Private Line Service Tariff.
- K. Any switched access charges associated with interexchange carrier access to the resold local exchange lines will be billed by, and due to, the Company. No additional charges are to be assessed to C&W USA.
- L. The Company will not perform billing and collection services for C&W USA as a result of the execution of this Agreement. Requests by the C&W USA for assistance with billing services should be referred to the appropriate entity or operational group within the Company.
- M. Pursuant to 47 CFR Section 51.617, the Company will bill C&W USA end user common line charges identical to the end user common line charges the Company bills its end users.
- N. In general, the Company will not become involved in disputes between C&W USA and C&W USA's end user customers over resold services. If a dispute does arise that cannot be settled without the involvement of the Company, C&W USA shall contact the designated Service Center for resolution. The Company will make every effort to assist in the resolution of the dispute and will work with C&W USA to resolve the matter in as timely a manner as possible. C&W USA may be required to submit documentation to substantiate the claim.
- O. BellSouth will provide C&W USA with outage credits on resold services that are equivalent to the outage credits that BellSouth provides its retail customers as specified in the appropriate BellSouth tariff for the equivalent retail service.

#### VIII. Discontinuance of Service

- A. The procedures for discontinuing service to an end user are as follows:
  - 1. Where possible, the Company will deny service to C&W USA's end user on behalf of, and at the request of, C&W USA. Such denial of service shall occur in a timely manner. Upon restoration of the end user's service, restoral charges will apply and will be the responsibility of C&W USA.
  - 2. At the request of C&W USA, the Company will disconnect a C&W USA end user customer.
  - 3. All requests by C&W USA for denial or disconnection of an end user for nonpayment must be in writing.
  - 4. C&W USA will be made solely responsible for notifying the end user of the proposed disconnection of the service.
  - 5. The Company will continue to process calls made to the Annoyance Call Center and will advise C&W USA when it is determined that annoyance calls are originated from one of their end user's locations. The Company shall be indemnified, defended and held harmless by C&W USA and/or the end user against any claim, loss or damage arising from providing this information to C&W USA. It is the responsibility of C&W USA to take the corrective action necessary with its customers who make annoying calls. Failure to do so will result in the Company's disconnecting the end user's service.
- B. The procedures for discontinuing service to C&W USA are as follows:

1. The Company reserves the right to suspend or terminate service for nonpayment or in the event of prohibited, unlawful or improper use of the facilities or service, abuse of the facilities, or any other violation or noncompliance by C&W USA of the rules and regulations of the Company's Tariffs.
2. If payment of account is not received by the bill day in the month after the original bill day, BellSouth may provide written notice to C&W USA that additional applications for service will be refused and that any pending orders for service will not be completed if payment is not received by the fifteenth day following the date of the notice. In addition BellSouth may, at the same time, give thirty days notice to the person designated by C&W USA to receive notices of noncompliance, discontinue the provision of existing services to C&W USA at any time thereafter.
3. In the case of such discontinuance, all billed charges, as well as applicable termination charges, shall become due.
4. If BellSouth does not discontinue the provision of the services involved on the date specified in the thirty days notice and C&W USA's noncompliance continues, nothing contained herein shall preclude BellSouth's right to discontinue the provision of the services to C&W USA without further notice.
