The existing agreement governs the relationship between the companies regarding local interconnection and the exchange of traffic pursuant to 47 U.S.C. § 251. Upon review of the proposed amendment to the existing agreement, we believe that it complies with the Telecommunications Act of 1996; thus, we hereby approve it. BST and Sprint are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the amendment to the existing interconnection, unbundling, and resale agreement between BellSouth Telecommunications, Inc. and Sprint Communications Company Limited Partnership, is incorporated by reference in this Order, and is hereby approved. A copy of the amendment to the existing agreement may be obtained as specified in the body of this Order. It is further
